# BATHROOM

To dry and warm your bathroom towels, a heated towel-rail is a popular addition to a modern bathroom. Be aware though that a larger bathroom may need an additional source of heat to effectively warm the room as well as the towels. This is where a towel rail radiator can come into its own, having been designed to perform both functions.

1. Savoy Old English Brass Traditional Heated Towel Rail Radiator, £319.95, Victorian Plumbing
2. Seville Matt Black Designer Flat Panel Heated Towel Rail, £264.99, Bathroom Mountain
3. Gibraltar Large White Traditional Heated Towel Radiator with Overhanging Rail, £189.99, Bathroom Mountain
4. Eaton Heated Towel Rail, £1,836.00 Rutland Radiators
5. Arezzo Brushed Brass 800 x 500 Heated Towel Rail, £299.95, Victorian Plumbing
6. Sitar Lato Towel Rail, £300, The Radiator Company
